Capital in the Twenty-First Century - Wikipedia
Capital in the Twenty-First Century (French: Le Capital au XXIe siècle) is the magnum opus of the French economist Thomas Piketty. It focuses on wealth and income inequality in Europe and the United States since the 18th century. It was initially published in French (as Le Capital au XXIe siècle) in August 2013; an English translation by Arthur Goldhammer followed in April 2014.
